

# FED Virtual User Group

Stay in touch with your peers and Tanium experts

June 24th, 2021 at 7:00 AM PT | 10:00am ET

Join our upcoming **FED Virtual User Group** to gain some excellent insights from Tanium federal customers and partners. We will also share the latest roadmap and updates from Tanium.

The User Group has been optimized for a virtual delivery. The event will run for three hours, consist of shorter, more interactive sessions and will be broadcasted using a secure WebEx webinar room.
