

User Group

Stay in touch with your peers and Tanium experts

Thursday 8th September 2022 from 12:00 BST

Join our in person once again at our **Summer User Group** to gain some excellent insight from Tanium and our customers. We will be sharing the latest customer stories and roadmap updates amongst the community.

The event will run from **12:00 – 16:00 BST** before embarking on a river tour down the Thames for a networking session with a view!

During the event you will have the opportunity to ask questions and the most active participants will receive **exclusive Tanium prizes**, so don't be shy!

If you have any questions, please contact emma.moss@tanium.com.
