

# Virtual User Group

Stay in touch with your peers and Tanium experts

September 15th, 2020 at 2:00 PM BST | 3:00 PM CEST | 9:00 AM EDT

Join our upcoming **Virtual User Group** to have some excellent insights from Tanium customers and partners, which they will share along with how they have evolved their IT infrastructure over the past six months. We will also share the latest roadmap and updates from Tanium.

The User Group has been optimised for a virtual delivery. The event will run for two and a half hours, consist of shorter, more interactive sessions and will be broadcasted using a secure Zoom webinar room.

During the event, you will have the opportunity to ask questions. The most active participants will **receive exclusive Tanium prizes**, so don't be shy! If you have any further questions, please contact [gaelle.anglade@tanium.com](mailto:gaelle.anglade@tanium.com).

**Tuesday 15<sup>th</sup> September** – 2.5 Hours
